# World University & School

http://worlduniversity.wikia.com/wiki/World_University
(or Google "World University and School")
Free, Open, Education Wiki, where YOU Can Teach & Learn
It's like Wikipedia (editable, web pages), with MIT OpenCourseWare,
in which we can all openly teach & learn, now.

WUaS is planned for all languages and countries.
(Free, online, interactive, MIT OCW-centric Bachelor, Ph.D., I.B., Law and M.D. degrees ahead,
with the first matriculating, Bachelor's degree class beginning in 2015,
accrediting on MIT OCW).
It's a wiki (editable, web pages) meta-directory, with a beginning Music School, as well.
