

World University & School

http://worlduniversity.wikia.com/wiki/World_University

(or Google "World University and School")

Free, Open, Education Wiki, where **YOU** Can Teach & Learn

It's like **Wikipedia** (editable, web pages), with **MIT Open Course Ware**,
where we can all openly teach & learn, now.

WUaS is planned for all languages and countries.

(Free, online, interactive, **MIT OCW-centric** Bachelor, Ph.D., Law and M.D. **degrees** ahead,
with the first matriculating, Bachelor's degree class beginning in 2014,
accrediting on **MIT OCW**).

It's a **wiki** (editable, web pages) **meta-directory**, with a beginning **Music School**, as well.
