{WUaS is like **Wikipedia** (editable, web pages), with
MIT OpenCourseWare, where we can all openly teach & learn, now}.

WUaS seeks Friendly, overachieving, high school and college students to enjoy learning,
e.g. via the conference method online in Google + group video Hangouts. WUaS is starting
to accredit on **Creative Commons' licensed MIT OCW's**, Open Educational Resources for
free, online, interactive, bachelor (32 MIT OCW courses), Ph.D., I.B. Law and M.D.
degrees, in many languages and countries, with the first, matriculating, bachelor's
degree class beginning in 2014 in English.

Students will purchase their own books and computers, and probably be living at home, in
the neighborhoods where they went to high school.

WUaS is also a Free, Open, Education Wiki, where **YOU**, or anyone, can
Teach & Learn, planned for 7,105+ languages and 205+ countries.
And WUaS has a beginning, collaborative, real time Music School.
